National Banks of Nebraska Do Not Think Much of the New Guaranty of Deposit Law.

(Herald Special.)

Lincoln, Neb., July 1.—All of the state banks of Nebraska today come under the requirements of the new so-called guaranty of deposit law, passed by the last legislature. The law has met with considerable opposition not only from the national banks, who are prevented by the federal banking laws from sharing in its provisions, but also from a number of state banks. The opponents of the law have taken the matter into the

Eat Your Favorite Food Without Any Fear or Distress.

Don't think you have catarrh of the stomach just because you are distressed after eating or have sour eructations.

The simplest kind of food will cause belching of gas, heaviness, dizziness and biliousness if the stomach isn't right.

It's a very easy matter to set the stomach right and if you'll just swallow one or two little Mi-o-na tablets before, with or after meals. You'll discover that all stomach agony is unnecessary.

Mi-o-na is a great big help to a tired, worn out or over-worked stomach. It quickly puts it into such perfect condition that the most hearty meal can be eaten and digested with pleasure.

And please bear in mind that while Mi-o-na is guaranteed to quickly banish all the ordinary stomach ills that it is also guaranteed by Bratton to cure indigestion, gastritis, catarrh of the stomach, or money back.

It matters not how long standing is the disease Mi-o-na will cure if you give it a chance. If it doesn't you can have your money back.

A large box of Mi-o-na tablets only costs 50 cents at Bratton's, and leading druggists everywhere.

HYOMEI

Cures catarrh or money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

courts with a view to restraining the state banking board from enforcing the measure.

The Nebraska law is a limited guaranty as distinguished from the Oklahoma law, where all the assets of all the state banks are back of the guaranty. Under the law in this state only a small portion is to be utilized. Four semi-annual assessments, of one-fourth of 1 per cent each, are to be levied by the banking board upon the deposits of the banks, and after the accumulation of this fund it shall be maintained by an assessment every six months of one-twentieth of 1 per cent.

If an emergency arises assessments not exceeding 1 per cent a year may be made. If this is insufficient to pay losses depositors in failed banks must await the accumulation of the money necessary to pay them off, receiving a certificate as evidence of claims.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to young children. For sale by Bratton Drug Co.

Popular festivities made up the program for the opening day of the celebration. Tomorrow the celebration will conclude with the unveiling of statues of Commodore M. C. Perry of the United States navy and Amon-no-Kami, the Japanese prime minister, who negotiated the first treaty of commerce between Japan and the outside world. The statue of Commodore Perry has been placed in Yokohama Park, close to the American consulate. The statue is of bronze, seventeen feet high, and was modeled by B. Fujita after photographs supplied by the United States government and from pictures made by Japanese artists while Commodore Perry was in Yokohama. The cost of the memorial, including a magnificent granite pedestal, exceeded \$100,000.

Help For Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all the medicine I bought before. Samuel Boyer, Folsom, Iowa.

This medicine is for sale by Bratton Drug Co. Samples free.
